LEAs Eligible for Title II Part D Competitive Grants for FY 2009

Title II Part D defines an eligible local entity as either a “high-need local educational agency” *or* an “eligible local partnership”. Only eligible local entities may receive EETT competitive grant funds.

- 1) LEAs in the State with the highest numbers or percentages of children from families with incomes below the poverty line; *and*
- 2) Serves one or more schools identified for improvement or corrective action under section 1116 of the ESEA, *or* has a substantial need for assistance in acquiring and using technology.

For purposes of this program, the term “poverty line” means the poverty line (as defined by the Office of Management and Budget and revised annually in accordance with section 673(2) of the Community Services Block Grant Act) applicable to a family of the size involved (ESEA Section 9101(33)). (See the U.S. Census website at [http://www.census.gov/hhes/www/saige/.](http://www.census.gov/hhes/www/saige/))

Based on the above criteria these LEAs with 11% or more of families in poverty are eligible to apply independently for competitive funds from Title II Part D of NCLB. Any consortia applying must include one of these LEAs as a member.
