Testimonial

I first met AI at the 2019 WCRIS leadership conference and filed away his information until we were closer to working on our next copier contract. We are a system of 5 schools in 4 buildings with 425 students and 95 staff. Working with AI and Harv helped us in the process. I know what I know and what I do not know and having someone on my side during the construction and evaluation of the RFP was awesome. They are a great team to work with and well worth the fee considering the total savings we were able to realize.

In Christ's Peace,
